LSCC Membership Dues Renewal

Online renewal (existing LSCC members only)

The LSCC is pleased to introduce an online dues payment option for existing LSCC members. The payment system utilizes PayPal, but you do not need to be a PayPal member to pay online. Please click on the link below to continue to the payment system. You will receive immediate confirmation of your payment. You will also have a User ID and password to the new LSCC portal that is currently under development. Not only does the site have online dues payment, but you can see exactly when your dues expire, and you have access to over 600 *Gobrecht Journal* articles that are sorted by coin series and topic to help you find what you are looking for. The club would greatly appreciate your online payment since this helps streamline the membership dues collection process.
