

**New Die Marriage
1876-CC
WB-40, Small CC**

Obverse 28

- Centered date (photo)
- Thick diagonal die line behind Liberty's eye (photo)
- Scattered lumps and lines in Liberty's gown (photo); other on Liberty's chest and neck area
- Die crack around the complete circumference; thru all stars, rock support, and date

Reverse M

- Small CC with close spacing, placed high with level CCs (photo). When compared to the other small CCs in 1876, this mintmark position is unique. The feather tip is over the left edge of the upper serif of the left C; none others have this position.

- Only example seen: weak die crack in the field below (AMERI)CA (photo)
- Weak tail feathers below shield

This is the first use of this obverse die and first use of this reverse die.

This die marriage was discovered by Mike Clark of Bozarth Coins.
